Problem set

- Please build test cases for these subjects in hadirr.com:
    - Sign in
    - Sign up
    - Sign up free trial

For Signing Up please use something like "testing" on company name or admin name!

- Please build automated tests for these subjects in automation practice website:
    - Website Sign In
    - Website Sign Up

p.s. don't forget to push your automation code to a Git repository and submit the URL as well as the readme document so we can review your answer.

Please submit your task within 2 days.
